DO (Duty Officer) Duties and Responsibilities

**** DOs to post a report on Facebook Page****

DO's must attend the venue before the time posted to determine if the conditions are suitable for sailing, set the course and perform other duties as required, unless the Race Officer has cancelled the event or changed the event starting time.

DOs who are unable to attend on the day that they are rostered on for duty must make arrangement for the duty to be covered i.e. arrange a swap with another DO.

DOs' Duties (To be executed or delegated)

At the Springhurst Head Quarters (HQ) - on arrival. Place the bow banner at the gate, place markers on the course, flags on the flag pole, organise the rigging and preparation of the club Karts, and generally organise and tidy the club room.

Racing

- Determine the course[s] for the afternoon
- Determine postponements/abandonments.
- Conduct a pre-race briefing to explain the course, scoring system, emergency procedures and any other anomalies.
- Start races and record the race results.
- Store all record sheets in folder provided.
- Calculate and record the results with date and DO boxes clearly filled in along with any other data available in club diary and announce the outcome.
- Record all attendees in the diary, noting any breakage/damage or maintenance required to club Karts, or club equipment.
- Note any personal accidents or first aid that may have been required/given.

Closing of the Club.

- Bring in and store all flags and Markers
- Ensure that the club Karts are derigged and stored.
- Supervise any cleaning/maintenance/repairs of the club karts.
- Tidy clubroom/storage area(s) and empty the rubbish bins.
- Ensure all furniture is stored and the buildings locked.
- Close the front gate.
- Arrange for posting a report on Facebook.

On water events

Liaise with the host club to:

- Determine the course and on water start time.
- Ensure rescue procedures are in place.
- Determine postponements/abandonments.
- Ensure a pre-race briefing is held to explain the course, scoring system, emergency procedures and any other anomalies
- Ensure that start races and recording procedures are in place.
- Collect race results of NEWC participants and store in folder provided.
- Calculate the results and record with date and DO boxes clearly filled in along with any other data available in club diary and announce the outcome.
- Note any personal accidents or first aid that may have been required/given.
- Arrange for posting a report on Facebook.
